In re Patent No. 7,237,199 :
Issue Date: June 26, 2007 :
Application No. 09/580,163 :
Filed: May 30, 2000 :
Attorney Docket Number: 023686-002US :

ON PETITION

This is a decision on the petition, filed April 8, 2008, requesting the issuance of a duplicate Letters Patent for the above-identified application.

The petition is **GRANTED**.

Since it is U.S. Patent and Trademark Office practice to assure mailing of all papers on the date indicated, there is a strong presumption that papers duly addressed and indicated as mailed, such as the Letters Patent in this application, are timely delivered to the addressee. To overcome this presumption, a verified statement with supporting evidence, such as any records which would disclose the receipt of other correspondence mailed from the U.S. Patent and Trademark Office on or about June 26, 2007, but fail to disclose receipt of the Letters Patent mailed on that date, should be promptly submitted. Further, copies of records on which receipt of the Letters Patent would have been entered had it been received are required.

However, if the loss of the Letters Patent was not the fault of the U.S. Patent and Trademark Office or if petitioner simply wishes to avoid overcoming the above-noted presumption, a petition may be filed under 37 CFR 1.182 accompanied by a petition fee of \$400.00 requesting a duplicate Letters Patent.

Petitioners indicate that the Letters Patent were not received but have not presented any evidence to prove that the Letters Patent mailed June 26, 2007 were not received. In view thereof, the petition fee required is \$400.00. Per the authorization to charge the petition fee, petitioner's deposit account no. 12-1322 has been charged in the amount of \$400.00.

A copy of this decision is being forwarded to Publishing Division for issuance of a

duplicate Letters Patent. The Office of Data Management is directed to issue a duplicate Letters Patent.
